Dot and Paul,
Thank you for the return note it is great to have people care about us back in the states. We are at a very isolated Forward Operating Base (FOB) called FOB Lightning. I am attaching a photo of the crew that works here. We like peanuts a lot and especially the peanut MMs. Shaving cream of the gillette fusion variety would be nice but not essential. We appreciate any and all items and please don't feel obligated to send anything. All snacks and candy are either eaten or given to the local kids. Thank you so much for your support. You are making a difference!

Warmest of regards from the troops and FOB Lightning!

Kelly

P.S. Sorry about the large file but the Christmas photo is all I have of the whole crew.
