Hi Dot and Paul,  
I just wanted to let you know that I recieved your package here and I wanted to tell you thank you very much. I am an infantry platoon leader here in baghdad and so trying to be a good leader, I shared your package with all the 27 soldiers within the platoon. They were all thrilled with it and it has gone a long way. Certain people requested certain things, the socks went very quick and so did the candy. I cannot thank you again, it has meant a lot and it was a big morale booster to be able to eat things other than army food while were out in sector. We all appreciate it very much.  
Thanks Again,  
1LT Andrew Dacey
